

The SBCAA takes an active involvement and interest in the career, jobs and occupations of its current members. The same shall be undertaken by the association while the students are still in San Beda College. In the same manner the alumni can engage SBCAA for job placement assistance and referrals. Bedan entrepreneurs also benefit from this network by establishing potential business associates and potential prospect employees. The career network envisions itself as a primary source for employers in the various fields, be it a Bedan alumni or even others, since there are currently many alumnus who are active players in their respective industries who would need talented manpower in various parts of their organization.

In order to realize this goals, the SBCAA shall endeavor the following undertakings: **1)**  
**Bedan Resume Databank**

All Bedan alumnus and graduating students shall be encouraged to deposit and maintain an active curriculum vitae (preferably in electronic format) with the SBCAA Secretariat/Program Director who shall have custody and shall them accordingly for use in the Network.

## **2) Bedan Employer Network**

The SBCAA shall have on file and maintain contact numbers of the Human Resource Manager or Recruitment personnel of various establishments, corporations, head hunters and other HR organizations such as the PMAP (Personnel Management Association of the Philippines) and others. It is encouraged that part of this contact list shall be a Bedan Alumnus within the same organization who can serve as a “referral contact” for ease of communication.
